Join the TLS Task Force!

Thank you for supporting the 15th annual Hubbard House Holiday Drive!

TLS raised \$2,000 in gifts and cash to purchase 4 strollers, a pack 'n play, diapers and many other great gifts. A group of TLS (Student Port) and Propeller Club members decorated the lobby and delivered the items on Dec. 3.

President's Corner

It's a new year, a new semester and the TLS board and I look forward to welcoming everyone to the spring events. The Coggin College and the T&L Flagship Program offer students many opportunities for professional development and enrichment, and I encourage students to take advantage and get involved. UNF is the perfect place to start building a professional network by attending events with fellow students, UNF alumni, and the business community. On Jan. 27 the Propeller Club is hosting a special networking event with guest speakers who will discuss the role of the maritime industry as a crucial link in the supply chain. This will be a great warm-up for students participating in the T&L Career Day, so mark your calendars and make the most of your time at UNF. The opportunities are endless! I wish you all a successful and productive spring semester! - Ana Mendez

HENRY SCHEIN®
